to Celebrate "America's Greatest Generation"**

The Alpharetta Historical Society and Somerby of Alpharetta invite you and your family to celebrate "America's Greatest Generation" and commemorate WWII Veterans and the WWII Home front on Thursday, November 19, 2009 at 100 Somerby Drive, Alpharetta, Georgia 30009.

The event will begin at 7 p.m. with registration for military veterans and an opportunity to view exhibits, including a 20 foot by 9 foot hand crafted replica of the USS Battleship NC. Opening ceremonies honoring WWII veterans will take place at 7:30 p.m. Following the ceremonies, Denver Peardon will offer a special presentation. Denver Peardon has a passion for honoring "America's Greatest Generation", WWII Veterans and the Home front. Over the years his collection has become extensive with many veterans, private collectors and business men and women donating to his exhibit. He also has private and business sponsors that allow him travel expenses to present to schools, organizations, businesses, festivals and fairs, communities and veterans. Refreshments and hor' dourves will be served at 8:45 p.m. along with an opportunity to meet, greet, and thank our veterans.

If you have WWII photographs you are willing to share or copies you are willing to donate, please contact Vesta Smith, Program Coordinator, at 770.653.6821 by November 12. Copies of the photographs will be made and originals will be returned. The photographs will be part of the WWII exhibit at the November 19 program.
