### "Scare On the Square"

Join the merchants of the Marietta Square this Halloween for a frightfully fun experience. Festivities begin at 11am when youngsters, dressed as ghouls & goblins, "trick or treat" the Merchants on the Square. In the evening, you'll have a scary good time with a variety of activities – ghost tours, Scary-etta trolley tours, a horror movie and a chilling play. Top the evening off with "Scary-aoke" provided by Party Central and set in the eerily beautiful Glover Park, which will be inhabited by scarecrows. Show off your costume and win a prize!

All activities take place around or on the Historic Marietta Square and are sponsored by the Merchants of the Marietta Square and the Downtown Marietta Development Authority. For more information call 770-429-1115 or visit [www.mariettasquare.com](http://www.mariettasquare.com)
