**THE GHOSTS ARE COMING! THE GHOSTS ARE COMING!- Marietta, GA:**

Although it may feel as though Summer is here to stay, the Historic Marietta Trolley Company along with the Ghosts of Marietta are revving up FALL. Beginning October 1 and continuing all month, the "Trolley" and the "Ghosts" will join forces to host a whopping 96 haunted tours.

In the normal course of business, the Ghosts of Marietta do one walking ghost tour per night every Thursday, Friday and Saturday at 8 p.m. year around with the "Scary-etta" haunted Trolley tour occurring only on the first Friday of the month, also at 8 p.m. The Haunted Pub Walks and the Spirits and Spirits wine tours are both held once a month on the third Saturday and the third Wednesday respectively. But October 2010 will see multiple tours of all varieties running nightly, excluding October 3, 4, and 5, and culminating with a record 10 tours on Halloween Eve-Saturday, October 30. Additional tours will be added to meet customer demand, and private tours can also be arranged.

Cassandra Buckalew, who started the Historic Marietta Trolley Company three years ago and recently acquired the Ghosts of Marietta tours, says she is looking forward to the challenge of offering so many tours for the first time. Is the prospect scary? "Only our ghost stories are scary," Buckalew quips.

According to Collin Cash who handles business development for both companies, this expanded schedule of tours in October will give people all around metro-Atlanta and beyond the opportunity to satisfy their cravings for "ghostly delights". "We have tours suitable for most all ages," says Cash. "Our "Scary-etta" haunted Trolley tour is great for everyone including seniors and kids, while our Pub Walks and Spirits tours offer more adult fun."

The detailed schedule of tours in October will be available on both websites: [www.mariettatrolley.com](http://www.mariettatrolley.com) and [www.ghostsofmarietta.com](http://www.ghostsofmarietta.com) later this month. For questions or to make reservations with payment in advance, call 678-290-9193. All messages left after 5 p.m. will be returned the next business day.
