Cobb County Convention & Visitors Bureau Recognizes the Marietta Trolley

Marietta, Ga. – November 12, 2010 – The Historic Marietta Trolley Company has been recognized by the Cobb County Convention & Visitors Bureau as its Attraction Member of the Year for 2010.

The Cobb County Convention & Visitors Bureau annually names notable members, those that build on the county's rich history and charm blended with the contemporary and diversity of the community. In its announcement, the Convention & Visitors Bureau noted that the Trolley has "...made a big impact in a short amount of time. This unique company has provided transportation for events, hosted the entire CVB team for their historic tour of Marietta and provided complimentary tickets for travel writers and various events. When asked, this company's answer is always 'Yes, we will help in any way that we can!'"

"We are so excited to named Attraction Member of the Year in Cobb County," said Cassandra Buckalew, co-owner of the Historic Marietta Trolley Company. "The very best of Atlanta is right here in Cobb County! We are committed to supporting the community and providing an entertaining way for visitors to explore all that Marietta has to offer."

Cobb County, Georgia is a perfect destination no matter what the season, and The Historic Marietta Trolley Company is the city's only trolley tour - a unique vehicle for discovering all that the city has to offer. In its first year, the Georgia Department of Economic Development named The Historic Marietta Trolley Company among the state's Must-See Attractions. Its success led to the introduction of Marietta Pedicabs - a green, on-demand taxi service propelled by pedal power - in 2010. In the spring, the Trolley acquired The of Ghosts of Marietta, 90-minute lantern-led journeys through the haunted, historic streets offering an enthralling history lesson from stories of the past and places where some of Marietta's departed residents still reside. There is now a Marietta tour for everyone: it's easy to explore the history of the city on foot, in a pedicab, or on the trolley.
